

EXCEPTIONAL DENTISTRY OF THE TRI-STATE REGION

We are caring professionals with a gentle approach.
You'll feel right at home with Exceptional Dentistry.

If you are like most people, you don't have the time for multiple visits to the dental office. Now in fewer appointments we are able to create that smile you've always dreamed of, with Sedation Dentistry. Using just a small pill to sedate you, we complete dental work that would normally take multiple appointments over several months to complete, all while you are relaxed and comfortable. Whether you need a routine exam and cleaning or have more complex dental needs, Dr. Ted Murray and Dr. Kristen Berning will work with you to achieve and maintain a beautiful smile, and healthy gums and teeth for a lifetime.
