

*A completely  
relaxing  
dental visit  
awaits.*

## DR. TED MURRAY OFFERS SEDATION DENTISTRY

You know you need to see the dentist but for one reason or another you can't bring yourself to make an appointment. *It's been too long and now your health is at risk.* Now imagine going to the dentist and having little or no memory of your visit. That's now possible at the office of Dr. Ted Murray with the availability of Sedation Dentistry.

### *What is Sedation Dentistry?*

- It's a safe, effective treatment option that allows people to completely relax during their dental treatment.
- It enables people who have fear or anxiety of dental procedures to take advantage of all that modern dentistry can offer.
- It allows people who have trouble getting numb to get their dental care completed.
- It makes it easier to deal with larger treatment needs and longer appointments.

*Exceptional Dentistry*
